Confidence

A hopscotch diagram with a semi-circular top containing the number 10. Below it are two boxes containing 8 and 9. A vertical line with a tick mark is labeled 7. Below that are two boxes containing 5 and 6. Another vertical line with a tick mark is labeled 4. Below that are two boxes containing 2 and 3. A final vertical line with a tick mark is labeled 1.

Leadership Skills

A hopscotch diagram with a semi-circular top containing the number 10. Below it are two boxes containing 8 and 9. A vertical line with a tick mark is labeled 7. Below that are two boxes containing 5 and 6. Another vertical line with a tick mark is labeled 4. Below that are two boxes containing 2 and 3. A final vertical line with a tick mark is labeled 1.

Communication Skills

A hopscotch diagram with a semi-circular top containing the number 10. Below it are two boxes containing 8 and 9. A vertical line with a tick mark is labeled 7. Below that are two boxes containing 5 and 6. Another vertical line with a tick mark is labeled 4. Below that are two boxes containing 2 and 3. A final vertical line with a tick mark is labeled 1.

Sense of Belonging

A hopscotch diagram with a semi-circular top containing the number 10. Below it are two boxes containing 8 and 9. A vertical line with a tick mark is labeled 7. Below that are two boxes containing 5 and 6. Another vertical line with a tick mark is labeled 4. Below that are two boxes containing 2 and 3. A final vertical line with a tick mark is labeled 1.

Participating locally

A hopscotch diagram with a semi-circular top containing the number 10. Below it are two boxes containing 8 and 9. A vertical line with a tick mark is labeled 7. Below that are two boxes containing 5 and 6. Another vertical line with a tick mark is labeled 4. Below that are two boxes containing 2 and 3. A final vertical line with a tick mark is labeled 1.

Involved in decisions

A hopscotch diagram with a semi-circular top containing the number 10. Below it are two boxes containing 8 and 9. A vertical line with a tick mark is labeled 7. Below that are two boxes containing 5 and 6. Another vertical line with a tick mark is labeled 4. Below that are two boxes containing 2 and 3. A final vertical line with a tick mark is labeled 1.

Valued & listened to

A hopscotch diagram with a semi-circular top containing the number 10. Below it are two boxes containing 8 and 9. A vertical line with a tick mark is labeled 7. Below that are two boxes containing 5 and 6. Another vertical line with a tick mark is labeled 4. Below that are two boxes containing 2 and 3. A final vertical line with a tick mark is labeled 1.

Representing others

A hopscotch diagram with a semi-circular top containing the number 10. Below it are two boxes containing 8 and 9. A vertical line with a tick mark is labeled 7. Below that are two boxes containing 5 and 6. Another vertical line with a tick mark is labeled 4. Below that are two boxes containing 2 and 3. A final vertical line with a tick mark is labeled 1.
